District(s): All

This report summarizes MPO/RTPA activity according to the following sort order:

Caltrans District MPO/RTPA Program

Regional Surface Transportation Program (RSTP) funds are made up of Surface Transportation Program (STP), Donor State Bonus (DSB), and Minimum Allocation (MA) funds. STP, DSB, and Congestion Mitigation and Air Quality (CMAQ) funds use OA. MA funds do not use OA.

Use this report to summarize activity for a given MPO. Do not use this report to program projects because it does not provide apportionment code level detail balances. Use the balance summary reports to get this information.

The following table shows what OA ratios were used to calculate OA balances. Please note that there is a difference between OA and Apportionment. OA is the authority to obligate Apportionment.

Federal Fiscal Year Local OA/Local Apportionment Ratio

1999/2000

0.867000

Report Column Definitions:

STP/DSB/CMAQ subject to OA: Represents apportionment transactions that use OA.

OA Amount: Represents OA transactions.

MA not subject to OA: Represents MA transactions that do not use OA.
